Good evening my scribe, it is your Heavenly Father Jesus that is here with you my son, with whom I am very pleased.

Tonight, I would like to speak about the **great joy that each one of my children should have in their hearts**. My dear children who read these messages, peace be with you. My dear ones, you should all be truly joyous as very soon in your earth years, this special planet will go through a transformation that will herald the beginning of a new age of peace and happiness for mankind.

For far too long has this planet suffered from the lies and deceptions of my adversary who has brought far too much suffering to my children on the earth plane. **Please be happy and joyous in knowing that the time for him and his cohorts to torment my children on the earth plane will come to an abrupt stop very shortly**. I have listened to your heart felt prayers for peace on this earth and **I have decided in my mercy to curtail the activities of the adversary sooner than the time that I had originally planned**. What I mean by this, my dear ones, is that **I intend to shorten the length or duration of all the end time events that this scribe will faithfully record for me in advance of each event happening.**

I want to assure you my dear ones, that I love you all dearly and I do not want to see any of my children suffer. For this reason, **I have decided to reduce the length and severity of many of the end time events to spare my children more suffering as a result of the trouble the adversary and his followers are causing mankind**. This does not mean that I will be able to cease any of the end time events from occurring, because, as I have explained in one of my earlier messages, this would result in even more of my children being lost to the adversary.

I have listened to your sincere heartfelt prayers for world peace including those of my loyal scribe who writes these messages for me. I agree, that my children have suffered far too much from the adversary and his followers throughout the ages. For this very reason, **I have decided that I will reduce the length and severity of all the events that were foretold by my loyal John in his Book of Revelation. Although John received those messages or revelations in spiritual correspondences, and wrote them down in allegorical form ie. he wrote about them symbolically, I will ensure that this loyal modern day scribe writes them down literally, in clear and simple language that everyone can understand. In this way, my dear ones, my children of this world whose souls are now mature, will be able to receive the literal meaning of all the events described in the Book of Revelation many years ago.**

This is why I say to you my dear children who read these messages, that I am a God of love, a loving creator and parent. A father, that only wants what is best for his children in this end time period and eternally afterwards.

I have listened to your sincere prayers and **I have arranged things in such a way that will ensure that those of my children who need to suffer to learn their lessons and mature their souls to become more loving and caring, will be removed from this planet in such a way that they will be able to continue their schooling on another planet where the influence of the adversary cannot corrupt them in the goal of learning and growing and maturing their souls in a more loving and caring environment, which will greatly increase their chances of maturing and perfecting their souls.**

I hope you can see my dear ones, that **I leave no stone unturned as far as providing the right sort of opportunities and environments to my children so far as it relates to them perfecting their souls so that they can come back home to me in my heavens, where I await them.**

It is for this reason that I implore you to **pray for your brothers and sisters who are not on the right path back to me their loving heavenly father Jesus. Pray to me so that I may use my mercy to help your brothers and sisters to return back to the one true path back to me in my heavens.**

I am the good shepherd who will go out of his way and leave my ninety nine good sheep, to spare my one lost sheep, from being lost to the wolves.

Pray for your brothers and sisters who need help. Try to direct them to me, their loving Heavenly Father. If this does not work, then pray to me for their souls that I may help them to see the errors of their ways and to return back to me, to the one true path that leads to me in my heavens.

Be joyous my dear ones for I have heard all your prayers and will help all my children who turn back to me in loving prayer and ask for my help. Please tell all your friends and family members that sincere daily prayer to me in these end times will enable me to do miracles for them and their families. All they need to do is to turn to me, pray in their hearts and I will do everything that I possibly can to answer their prayers, as I have answered the prayers of all my children who continue to pray for peace in the middle east, which is in urgent need of your daily prayers my beloved ones.

The **nuclear event that I wrote about previously will not be averted** although your sincere prayers have meant that the extent of suffering and the length or duration of the conflict that will follow, has been greatly diminished by your sincere heartfelt prayers.

Go in peace and love my dear children.

Your Heavenly Father Jesus. Amen.
